--------------	---

- The Connealy Clarity son with the lot!
- Remington is an absolute standout phenotypically, structurally excellent, loads of muscle and butt shape, with tremendous length of body and neck extension, Remington is a bull with true sire appeal.
- Remington is a proven and highly accurate bull in the US with phenomenal progeny reports creating intense demand worldwide.
- He is in the top 25% of the breed for 11 traits including CED, GL, 200, 400, 600, CWT, NFI-I, Claw and all indexes.
- The performance potential of Remington is undeniable, but what makes him that next level sire is all the extra boxes that he ticks, especially his maturity pattern, mature cow traits, feed efficiency and structure.
- Initial calf reports on the bull from winter are glowing, described as early, easy and impressive.

VANGUARD v570

Bull code: SMP24V570

Sire	Connealy Clarity Poss Winchester Poss Blueblood 6502
Dam	Te Mania Newly N549 Pathfinder Newly S60 Pathfinder Linkedin Q343
Actual BW	40kg
Weaning Wt.	307kg
Yearling Wt.	548kg
Yearling Sc.	44cm
Aust. Reg. No.	SMP24V570
Owner	JHW Paterson & Son, Creese North East, Keith Gatenby & Sons, Greg Bryant Family Trust and Trent Bridge Partnership

- Vanguard V570 is currently the most talked about APR bull in the breed, and rightly so.
- Purchased from Pathfinder Angus for \$50,000 in partnership with some of the most astute and progressive farmers and feedlot operators in Australia.
- Vanguard V570 is a very eye appealing bull with impressive muscling and hind quarter, depth of body, thickness, structural soundness. The sheer depth and width of this bull has not been seen in Australia before.
- He has one of the best and most unique performance data sets we have ever seen. From his heifer suitable BWT of +2.4, to his explosive growth out to +151 for 600D. Exceptional carcass weight of +86, +10.8 EMA, +4 IMF and NFI-F of -0.13, all in the top 20% of the breed.
- Vanguard is also strong for high body condition, moderate frame, great docility and structure.
- Vanguard is a bull that will lift your breeding program to the top, both phenotypically and genetically and will work over a wide variety of females.

- Data sets don't get much better than Up And Coming, the \$50,000 stand-out sire from the 2025 Clunie Range Angus Spring Bull Sale.
- Calving Ease of +8.9, a birth weight of +1.9 out to 600-day weight of +150 with a massive +5.2 for scrotal size. Fertility and milk together, with elite carcase across the board and short gestation length.
- A pedigree that goes back to some of Australia's best ever sires like Rennylea L519 and Ardrossan Equator A241.
- Up And Coming is a bull with presence, sire appeal and serious style. He moves that big powerful body around like a cat with incredible length, depth and width.
- Docility, claw set and foot angle are all in the top 25% of the breed!
- We sold out at the end of Autumn this year due to strong demand but have since restocked thanks to Wise Repro at Glen Aplin. Availability is now good and we also intend to collect sexed semen; such is the demand for this bulls genetics.

- When you want them thick, deep and full of muscle like commercial cattlemen dream of, turn to Grindstone.
- He is a proven heifer bull with his 1st calves on the ground in Autumn with excellent reports to back up his +2.9 for BWT.
- Grindstone promises great weight gains being in the top 1% for 200 and 400, and top 3% for 600, this is flowing through to top 5% CWT.
- Grindstone's maternal traits of Milk, DTC and DOC provide a solid foundation to build a productive cow herd.
- The Erica of Ellston maternal line behind this bull is one the most globally renowned cow families in the Angus world for consistency and predictability.
- Sexed Female semen is available.

- Tiny Dancer is the all-rounder that is taking the Australian market by storm, offering both amazing phenotype and breed-leading figures.
- Breeder reports are extremely positive with 349 outstanding progeny recorded, Tiny Dancer is one of the highest repeat order bulls we have seen in a long time.
- Calves have been born easily, extra long and especially docile. Heifers are just phenomenal with their femininity and early sexual maturity.
- Tiny Dancer himself has maintained his condition through collection, multiple long trips and natural duties. His feet are excellent and so are his conception rates, including sexed semen programs
- Tiny Dancer offers great market flexibility from grass-fed to medium-fed grain programs and longevity in a range of environments and production systems.
- Tiny Dancer is a great choice to add a little bit of extra frame, whilst not sacrificing early-maturity.
- Also available in female sexed semen.

- Riverside couldn't be any better bred. Being out of Q835, the leading donor in the Landfall program who has 27 elite progeny including Signature S1755 and Trademark T1832.
- His sire Lorenzo, is the sire of Landfall Underwood U227, who sold for \$180,000 to Te Mania Angus.
- Riverside U1831 has been used in the Landfall program through both AI and natural service and already has 91 progeny recorded.
- Riverside excels for CE, GL and BW making him a great choice for heifers.
- With -8.1 DTC (top 5%) and +5.1 SS (top 1%), fertility is a real feature
- The +33 DOC (top 12%) and +19 for milk with +0.46 (top 13%) MBC makes him a cow maker of the future that will last the test of time with top 3% claw to carry them.
- With positive fats and +3.8 IMF giving him very attractive carcass traits also.
