## UTOPIA

RRP \$40  
NAB \$32

Trio Utopia U101 | 29AN2335 | Reg. No. ELY23U101

Sire: Trio Command R18

Paternal Grand-sire: Baldrige Command C036

### YOUNG GUN

- High selling young gun from the 2024 Spring Trio Angus sale who immaculately blends phenotype, impeccable structure with a scintillating data profile
- His maternal side is littered with Australian Angus gold, featuring the deep seeded pedigree of Ardrossan Holbrook N239, back to Ardrossan Holbrook H318 & Ardrossan Wilcoola K30
- His sire, R18, is without question one of the pick Baldrige Command sons ever produced in Australia
- Utopia is long & clean fronted with a smooth shoulder. His topline strength and soft depth of flank flow seamlessly into a meat packed hindquarter that oozes dimension and shape from every angle
- Structurally flawless; expressing ideal leg angle with excellent claw and heel constitution, lending to a long smooth stride and agile gait while on the move!
- Admire the data combination that U101 offers - 14 traits in the top 25% of the breed, and top 1% for 9 out of 11 indexes!
- Bigtime calving ease, ultra-low gestation and awesome DTC EBVs combined with explosive growth, solid SS & milk, positive fats and a whopping +5.2 IMF figure
- Utopia's sound structural constitution is backed up with top 17%, top 18%, and top 31% claw, heel and leg angle EBVs respectively

## SANTIAGO

RRP \$50  
NAB \$38

Millah Murrah Santiago S304 | 29AN2288 | Reg. No. NMM21S304

### PHENOTYPE & STRUCTURE +++

- Pedigree filled with the best of 21st century Australasian Angus bloodlines, combining Emperor, Theo, Klooney & Reality. Three previous sons from the dam have averaged \$38,000
- Low 6 frame score, with outstanding foot & leg structure and perfect reproductive conformation
- Superb phenotype. Perhaps the easiest fleshing Angus bull of the modern era. Santiago is deeper bodied with more fill through the flank than any of his contemporaries. He is a gold standard cow maker in the making
- With solid mid graph predictions right down the page, Santiago makes an ideal genetic complement for Paratrooper, Nugget & Quixote lines, as well as the vast majority of bloodlines from the broader global Angus gene pool
- Santiago's progeny across Australia are shooting the lights out - absolutely jam packed with meat and Angus breed character

## TRIGGER

RRP \$70  
NAB \$48

Millah Murrah Trigger T308 | 29AN2289 | Reg. No. NMM21T308

### SHOOT TO THE TOP

- The full sister to Trigger's dam produced the previous record priced Millah Murrah yearling bull, when Rolls Royce fetched \$110,000 in 2021
- Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di
- A frame 6.3 youngster, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy
- Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb

## VALIANT

RRP \$50  
NAB \$38

Ascot Valiant V316 | 29AN2357 | Reg. No. QQF24V316

DAM: Millah Murrah Flower R118

### NEW ADDITION

- Pictured here fresh out of Autumn joining, Valiant 316 is one of, if not the most powerful Landfall Signature son to emerge in Australia
- Structurally immaculate, long and clean fronted with beautiful topline strength, V316 oozes softness throughout
- Valiant's locomotion is equally impressive, he strides out beautifully and tracks as smooth as a cat
- Backed by one of the most prolific bloodlines in the Australian Angus breed
- Now take a look at his data- low BW, huge growth, and an awesome +41 docility EBV
- Carcass and structure-wise he is equally impressive, boasting +12.9 EMA & +3.8 IMF data as well as top 15% foot angle and top 5% leg angle figures respectively

## NORTHAM

Injemira Northam | 29PH0966 | Reg. No. IHSU339

### A NEW FRONTIER

- An incredibly unique pedigree to hit Australian soil featuring renowned Elite Herefords N314 R123 and Matariki King Pin. Elite R123 has not been used in Australia outside the Injemira herd.
- Structurally flawless, Northam is as smooth as a cat, exhibiting a strong head a neck carriage, awesome top line strength and is square and wide over the hips and from behind
- The sheer muscle and grunt in this young sire is complemented with an abundance of bulging soft flesh, depth of flank and just oozes doing ability
- Now consider his data; low GL (top 18%) makes him ideal for heifers, combined with explosive top 30% 200D, 19% 400D and 20% 600D growth figures!
- His whopping +7.7 (top 3%) EMA, positive rib and rump fat and +1.9 (top 6%) IMF combo is just the cherry on the cake!
