- Grindstone is the kind of bull that does not come around very often. Combining the type, figures and pedigree to offer an elite genetic package.
- Well and truly safe to use on heifers with a +2.5 for BWT and top 40% CED while providing enormous growth and power to add serious weight and carcass merit to progeny.
- Grindstone is the natural next step from his elite sire DB Iconic with improved structure from his dam sired by Baldrige 38 Special.
- The Erica of Ellston maternal line behind this bull is one the most globally renowned cow families in the Angus world, not to mention Y69 behind 38 Special.
- Striking good looks, full of body volume with real muscle shape down his topline and out of his hip.
- Grindstone sold out in a matter of weeks this Autumn, we've restocked for the Spring but make sure you get in while stocks last and don't miss out.

- Tiny Dancer is the balanced all rounder that is taking the Australian market by storm, offering both amazing phenotype and breed-leading figures.
- Purchased by Gundungarra Angus for AUD\$70,000 at the 2024 Millah Murrah Spring Bull Sale.
- He combines the famous type and muscling of Rocket Man with heifer suitable calving ease and short gestation length, superb docility with above average IMF.
- Going back to the famed cow maker Coonamble Hector as sire of Tiny Dancer's magnificent grand dam Abigail M293.
- Not to mention he has rock solid feet and legs, huge testes and massive EMA.
- Ironically nicknamed Tiny, as he is a big strong bull with 6.7 frame and 974kg.
- Tiny Dancer offers great market flexibility from grass-fed to medium-fed grain programs and longevity in a range of environments and production systems.
- Tiny Dancer wowed an audience of 250 international and Australian delegates during the pre-tour of the World Angus Forum.
- He is also available in male and female sexed semen.

- Goalkeeper has entered a league of his own as a sire of sires.
- There's something to be said about the potency of a generational bull like Goalkeeper where the quality of his calves is so renowned across Australia and yet he just can't be replaced.
- No other bull has had such a positive impact on the industry where he remains at the top of the most used sires list for multiple years and seedstock and commercial breeders alike continue to rave about the calves.
- The winning combination of growth, muscle and docility continues to deliver with the all-important foundation of sound structure.
- He is also recognised for his excellent offering of high milk, big scrotal, low NFI, positive fats and positive mature cow body condition.
- Male and Female Sexed Semen available.

- Unreal by name, Unreal by nature.
- This bull offers outcross and exclusive pedigree in a high octane and efficient performance package.
- He excels for 600-day growth, carcase weight and NFI.
- Positive calving ease and ultra short gestation length in the top 1% of the breed.
- High mature cow body condition, high docility and exceptional feet and legs. That sound like easy-doing, easy-handling and easy-calving cows with longevity to me.
- Not to mention above average EMA, RBY and IMF all together.

- If you're looking for moderate, wide and deep cattle with serious carcase merit, here they are.
- Stapleton comes from the leading edge of genetic advancement in the PEAK program.
- Sitting at the very top of the breed with a \$324 index. Stapleton drives profitability through high growth, below average mature cow weight and elite carcase value.
- Best used on cows or Autumn calving, low BWT heifers to move the needle on end carcase merit and maximise value of feeder steers.
- Did I mention insane carcase merit, top 1% EMA, top 20% CWT and RBY, top 5% IMF and neutral fats.
- Stapleton calves will deliver serious grunt and high end carcase performance in an attractive, moderate and well-muscled package.
