DCS24V374 TABLE TOP HIGH VOLTAGE V374

DOB: 05/07/2024

PARINGA JUDD J5

GB FIREBALL 672

Sire: CHILTERN PARK PICASSO P9

Dam: TABLE TOP ANGUS T210

CHILTERN PARK K26

TABLE TOP ANGUS R297

Identified early and topped the Spring 2025 sale at Table Top Angus at \$30,000 to Paringa Angus. Admired for his thickness and length with super slick skin, backed by an elite performance package in a different pedigree. With calving ease and top end fertility and no slouch in the carcass department; Table Top V374 will be the go-to all-rounder for years to come.

Sire: Chiltern Park Picasso P9

UPPERCUT U15 the sire of a generation, breaking records in Tasmania in 2025 bidders placed him atop a pedestal pricing him at \$275,000. U15 is a slick coated, easy fleshing bull in an ideal frame, added heel depth and perfect scrotal structure. Use him to maintain thickness, improve docility, increase performance and create future high value Angus Genetics.

Progeny: Goolagong Villan V307

A bull that started his career as the commercial cattleman's dream is now the stud master's envy. With over 12,200 units of semen sold — boasting a strong conception rate — there will soon be calves right across the country. Progeny from his first assignment at RAFF Angus topped their sale, and they certainly won't be the last. Many more sons, with long bodies and deep hams, are set to lead off their respective cohorts. Statesman should be the first choice for any heifer project in 2026! His calves are long and thick, come easily at birth, carry a slick skin, and excel for doing-ability. As many witnessed while viewing him in winter 25' out with cows at Pathfinder Angus — they left in awe and promptly ordered S115.

The new kid on the block for those who want it all, VIAGRA will elevate your heart rate when you study his performance.

For a bull just 17 months old, who has already joined a group of heifers and then backed up another group of cows at Pathfinder in a tough season, we think he's made of the right stuff. USE VIAGRA to maintain frame, add performance and bone, with more muscle than your average 5+ IMF bull.

Sire: Landfall Signature S1755

Landfall Summit S1944 feet.

The pinnacle of performance backed by progeny that have already performed, topping the Goolagong sale at \$30,000 and going on to stud duties at Serita Park SA. Then his daughters made up the majority of the Boonaroo pen of 10 heifers that won the Beef Week 2026 heifer challenge! This SUMMIT bull is breeding out of his skin, don't miss an opportunity to inject a real breed changer into your operation
