- Up And Coming is the \$50,000 high-seller at the 2025 Clunie Range Angus Spring Bull Sale.
- A pedigree that goes back to some of Australia's best ever sires like Rennylea L519 and Ardrossan Equator A241.
- This is one hell of a bull with presence, sire appeal and serious style.
- He moves that big powerful body around like a cat with incredible length, depth and width.
- When you analyse his data, you'll be hard fetched to find a single hole.
- Birth weight of +2 out to 600-day weight of +150 with a massive +5.2 for scrotal size. Good mature body condition and milk together, elite carcass across the board and short gestation length.
- Docility, claw set and foot angle are all in the top 15% of the breed!
- He's the type of bull that inspires awe when you watch him track around a paddock and the kind of bull that can take a breeding program from good to great.

- Tiny Dancer is the balanced all rounder that is taking the Australian market by storm, offering both amazing phenotype and breed-leading figures.
- Purchased by Gundungarra Angus for AUD\$70,000 at the 2024 Millah Murrah Spring Bull Sale.
- He combines the famous type and muscling of Rocket Man with heifer suitable calving ease and short gestation length, superb docility with above average IMF.
- Going back to the famed cow maker Coonamble Hector as sire of Tiny Dancer's magnificent grand dam Abigail M293.
- Not to mention he has rock solid feet and legs, huge testes and massive EMA.
- Ironically nicknamed Tiny, as he is a big strong bull with 6.7 frame and 974kg.
- Tiny Dancer offers great market flexibility from grass-fed to medium-fed grain programs and longevity in a range of environments and production systems.
- Tiny Dancer wowed an audience of 250 international and Australian delegates during the pre-tour of the World Angus Forum.
- He is available in female sexed semen.

- Grindstone is the kind of bull that does not come around very often. Combining the type, figures and pedigree to offer an elite genetic package.
- Well and truly safe to use on heifers with a +2.5 for BWT and positive CED while providing enormous growth and power to add serious weight and carcase merit to progeny.
- Grindstone is the natural next step from his elite sire DB Iconic with improved structure from his dam sired by Baldrige 38 Special.
- The Erica of Ellston maternal line behind this bull is one the most globally renowned cow families in the Angus world, not to mention Y69 behind 38 Special.
- Striking good looks, full of body volume with real muscle shape down his topline and out of his hip.
- This bull has sold out twice, we've restocked for 2026 and with calves starting to hit the ground, you'll have to make sure you get in while stocks last and don't miss out.

- Unreal by name, Unreal by nature.
- This bull offers outcross and exclusive pedigree in a high octane and efficient performance package.
- He excels for 600-day growth, carcass weight and NFI.
- Positive calving ease and ultra short gestation length in the top 1% of the breed.
- High mature cow body condition, high docility and exceptional feet and legs. That sound like easy-doing, easy-handling and easy-calving cows with longevity to me.
