7AN805 G A R **POWERCAT**

E&B WILDCAT 9402 X GB FIREBALL

- The demand for carcass bulls who do more than improve carcass is high, and POWERCAT is one of those bulls.
- His pedigree provides mating alternatives in the quest for superior end-product merit.
- Angus-branded programs like *Certified Angus Beef*® have experienced great success, POWERCAT will help to continue it.
- His EPD projections for the traits of merit are amazing and you are sure to like his early calves' DNA!
- POWERCAT's HS, Claw, Angle, CEM and HP EPDs are added bonuses.

7AN758 G A R **APEX** G A R DUAL THREAT X G A R ASHLAND

- Good cowboys are finding APEX due to the wealth of goodies he brings to the table.
- He's sired by DUAL THREAT, a bull who sires both great daughters and great sons, APEX will do the same.
- Docility is one of the most important traits in the business and APEX is a standout.
- High \$M and great for PAP, HS and HP, APEX is not just a Calving Ease/carcass bull, he's loaded with improvements to excel in every segment of the industry.
