FRESH OPTION SIRE

The Fresh option is exclusive to **NATIONWIDE ARTIFICIAL BREEDERS & AGRI-GENE** clients.

The process is simple, Contact Drew Pickford a minimum of one month prior to your A.I date, and he can arrange for the sire of your choice to be collected in preparation for a Fresh AI program. The advantages of FRESH OPTION sires are not only do you get access to some of the best Angus sires available but also the big bonus of increased conception rate that we have seen over multiple programs in previous years. Fresh semen has consistently outperformed frozen semen be it the same sire in frozen or other sires in FTAI.
